SKINCARE

Advanced Skincare Backed by Science

Research and innovation are at the core of the SkinCeuticals mission, and our dedication to science has established the brand as a leader in the advanced skincare arena. The company's founding was the direct result of a revolutionary discovery that set the standard for antioxidant formulation. SkinCeuticals continues to pioneer next-generation products that will optimize the health and beauty of the skin—and change the face of skincare for years to come.

Reconditioning & Firming Treatment

60 minutes - \$210 / 90 minutes - \$270

This treatment is ideal for dehydrated, aging, and environmentally damaged skin. The use of specific cleansing, toning, masque and protective products will help to leave a healthier, firmer appearance to the skin.

Pigment Balancing Treatment

60 minutes - \$210 / 90 minutes - \$270

This treatment is customizable, targeting hyperpigmentation to improve uneven appearance of photo damaged skin. Combining high-performance brightening and anti-inflammatory agents, this facial accelerates cell renewal and diffuses hyperpigmentation.

Deep Pore-Cleansing Treatment

60 minutes - \$210 / 90 minutes - \$270

This treatment is perfect for anyone experiencing congested pores, including those with teenaged skin. The combination of products helps to reduce oil without drying and gives the skin the hydration it needs. Botanicals in the corrective products are anti-bacterial, while a clay masque draws out impurities and oils that can be harmful to the skin and clog pores.

Calming Treatment for Sensitive Skin

60 minutes - \$210 / 90 minutes - \$270

This treatment is designed to help calm and soothe compromised skin. The Vitamin C Firming Masque will aid in reducing erythema, irritation, and inflammation associated with problematic and rosacea skin types.

Refining Treatment for Men

60 minutes - \$210

This treatment is designed specifically for men who suffer from ingrown hairs brought about by shaving. The treatment is good for all skin types and can also be used on neck, chest, arms, back or legs.

Alpha Beta Peel Treatment

60 minutes - \$240 / 90 minutes - \$290

This intermediate peel treatment is for a wide range of skin types and combines alpha and beta hydroxy acids to reduce surface lines, smooth out rough skin texture, aid in clearing acne, and help fade hyperpigmentation. The acids in these peels remove dead cells from the surface without irritating the skin. Additionally, the Vitamin C Firming Masque is added to boost radiance.

MASSAGE

NATUROPATHICA®

FITNESS

The Spa at The Peaks offers a state-of-the-art Matrix gym, spin, Pilates, and yoga studios to help you maintain or advance your normal routine during your stay.

Our expert trainers and yoga and Pilates teachers are available for private sessions to address your individual fitness and body movement goals. Each session is customized to include exercises that focus on strength, flexibility and balance as well as the mind-body element for movement.

PERSONAL TRAINING SESSION

60 minutes - \$130 / 90 minutes - \$180
Packages available

Our experienced personal trainers conduct an overall fitness assessment and work with you to determine your health, strength and movement goals to design a workout program based on your specific needs. Golf and tennis training, strength training, yoga, pilates, self defense, functional fitness, swimming, event training, weight loss, and conditioning.

PRIVATE YOGA, PILATES & MEDITATION

60 minutes - \$130 / 90 minutes - \$180
Packages & group rates available

Scheduling a private or semi-private session with one of our talented meditation, yoga or Pilates instructors provides insight into your daily routine. Private fitness is a great way to receive one-on-one guidance to help gain confidence and knowledge prior to joining your first group class or creating a home practice. A private session is also beneficial if you would like to focus on a particular area for strength or flexibility, or if you have a physical condition that may require more attention to ensure you are practicing safely. \$130 for one participant and \$15 for each additional participant.

Scheduling

To ensure availability of your desired services, we recommend booking your treatments in advance. A credit card is required upon booking to reserve your services and scheduled time.

Cancellation Policy

Should you need to reschedule or cancel any spa appointment, please notify the spa 24 hours in advance to avoid a 50% charge. Rescheduled appointments within the 24 hours are subject to a \$35 rescheduling fee. Missed appointments without proper notice will incur a 100% charge for all reserved services.

Gratuity

For your convenience, an 20% gratuity will be added to all treatment prices upon check-out. Additional gratuities for exceptional service may be added at your discretion.

Arrival Procedures

Your treatment will begin and end at its designated time as a courtesy to the next guest. Should you arrive late for your service, you will be deprived of valuable treatment time and the full cost of service will still apply.

Men receiving facials should shave no less than 4 hours prior to the scheduled treatment time.

During Your Treatment

Your comfort and experience is of the utmost importance to us. Please communicate with your spa professional any details that can enhance your treatment, from depth of pressure, temperature or any other concern that may arise.

Age Requirements

Guests must be at least 16 years of age to utilize all fitness facilities and receive private treatments. Massages and body indulgences for individuals under 16 will require a parent or guardian to be present.
