SKINCEUTICALS

Advanced Skincare Backed by Science

Research and innovation are at the core of the SkinCeuticals mission and our dedication to science has established the brand as a leader in the advanced skincare arena. The company’s founding was the direct result of a revolutionary discovery that set the standard for antioxidant formulation. SkinCeuticals continues to pioneer next-generation products that will optimize the health and beauty of the skin—and change the face of skincare for years to come.

SkinCeuticals Alpha Beta Peel Treatment
60 minutes - $250

This intermediate peel treatment is for a wide range of skin types and combines alpha and beta hydroxy acids to reduce surface lines, smooth our rough skin texture, aid in clearing acne and help fade hyperpigmentation. The acids in these peels remove dead cells from the surface without irritating the skin. Additionally, the Vitamin C Firming Masque is added to boost radiance.

SkinCeuticals Pigment Balancing Masque
60 minutes - $200

This treatment is a customizable treatment targeting hyperpigmentation to improve uneven appearance of photo damaged skin. The masque combines high-performance brightening and anti-inflammatory agents to accelerate cell renewal and diffuse hyperpigmentation.

SkinCeuticals Reconditioning and Firming Treatment
60 minutes - $200

This treatment is ideal for dehydrated, aging and environmentally damaged skin types. The use of specific cleansing toning masque and protective products will help to leave a healthier, firmer appearance to the skin.

SkinCeuticals Deep Pore-Cleansing Treatment
60 minutes - $200

This treatment is perfect for any patient experiencing congested pores, including those with teenage skin. The combination of products helps to reduce oil without drying and gives the skin the hydration it needs. Botanicals in the corrective products are anti-bacterial, while a clay masque draws out impurities and oils that can be harmful to the skin and clog pores.

SkinCeuticals Calming Treatment
60 minutes - $200

This treatment is designed to help calm and soothe compromised skin. The Vitamin C Firming Masque will aid in reducing erythema, irritation, and inflammation associated with problematic/rosacea skin types.

SkinCeuticals Refining Treatment for Men
60 minutes - $200

This treatment is designed specifically for men who suffer from ingrown hairs brought about by shaving. The treatment is good for all skin types and can be also be used on neck, chest, arms, back, or legs.

SkinCeuticals Peaks Custom Restore and Replenish Treatment
2-parts, 60 minutes each - $400

Two part exfoliating facial treatment to bear the signs of aging, sun spots, dehydration, and tautensized skin. The first part of your facial series will include a manual exfoliation accompanied by a medical grade dual action peel that revitalizes the skin and destroys the aging process. Part two in your facial series will include a relaxing and replenishing facial to meet all of your skincare needs and restore the skin back to its best health ever.

Scheduling a private or semi-private session with one of our talented meditation, yoga or Pilates instructors provides insight into your daily routine. Private fitness is a great way to receive one-on-one guidance to help gain confidence and knowledge prior to joining your first group class or creating a home practice. A private session is also beneficial if you would like to focus on a particular area for strength or flexibility, or if you have a physical condition that may require more attention to ensure you are practicing safely.

Scheduling
To ensure availability of your desired services, we recommend booking your treatments in advance. A credit card is required upon booking to reserve your services and scheduled time.

Cancellation Policy
Should you need to reschedule or cancel any spa appointment, please notify the spa 24 hours in advance to avoid a 50% charge. Rescheduled appointments within the 24 hours are subject to a $35 rescheduling fee. Missed appointments without proper notice will incur a 100% charge for all reserved services.

Gratitude
For your convenience, an 18% gratuity will be added to all treatment prices upon check-out. Additional gratuities for exceptional service may be added at your discretion.

Arrival Procedures
To enhance your spa experience we invite you to arrive at least 30 minutes prior to your first scheduled treatment to obtain a locker, robe, and slippers and begin the relaxation process. As a spa guest you will also have access to our wonderful amenities: saunas, steam rooms, and Roman tubs.

Though you will be getting a locker, we suggest leaving all valuables in your guest room.

Your treatment will begin and end at its designated time as a courtesy to the next guest. Should you arrive late for your service, you will be deprived of valuable treatment time and the full cost of service will still apply.

Men receiving facials should shave no less than 4 hours prior to the scheduled treatment time.

During Your Treatment
Your comfort and experience is of the utmost importance to us. Please communicate with your spa professional any details that can enhance your treatment, from depth of pressure, temperature or any other concern that may arise.

Prenatal Services
We kindly request all individuals who are pregnant obtain consent from their primary care physician prior to receiving services. Please call the spa coordinators for further details.

Age Requirements
Guests must be at least 16 years of age to utilize all fitness facilities and receive private treatments. Massages and body indulgences for individuals under 16 will require a parent or guardian to be present. Our couples rooms are a wonderful option for a parent/child service.
